CHAPTER 1

SEED PROGRAM: MISSION AND OPERATION

1. MISSION

Our mission is to ensure the health and well-being of each student through a safe and healthy environment and encourage all aspects of their global development (social, emotional, physical, cognitive and moral) through an activity-based program that is consistent with the school's educational project and meets both the general and specific needs of each age group.

The Lester B. Pearson School Board offers quality SEED Programs with qualified professional staff, who collaborate in the development of the SEED philosophy, within the scope of the school's educational project¹. As a SEED team, we value each student's uniqueness and recognize that they develop at their own pace, have their own interests, personality, and culture. We focus on children succeeding in a pleasant and respectful environment.
