Dear Governing Board Chairperson,

The Administrators of the Lester B. Pearson School Board will be planning the administrative staffing for the 2022-2023 school year. Sections 79 and 110.1 of the Education Act require that all Governing Boards be consulted concerning the selection criteria for the appointment of the Principal/Centre Director of the school/centre. As we anticipate staffing changes for the next school year, your input for the selection criteria is an important part of the process.

Kindly email your criteria to **M. Geneviève Dugré, Secretary General, at gclemenza@lbpsb.qc.ca**, with a copy to your school/centre administrator, no later than **Friday, March 11, 2022**.

As the Board works on its administrative staffing plan for the 2022-2023 school year, your input will be considered. It is expected that the process will be completed by the spring of 2022 to allow us to plan for the next school year.

I wish to thank you for participating in this consultation process and look forward to reviewing your input.

Yours truly,

A handwritten signature in blue ink that reads "Cindy Finn".

Education Act

42. A governing board shall be established for each school.

The governing board, which shall have not more than 20 members, shall include the following persons:

(1) at least four parents of students attending the school who are not members of the school staff, elected by their peers;

(2) at least four members of the school staff, including at least two teachers and, if the persons concerned so decide, at least one non-teaching staff member and at least one support staff member, elected by their peers;

(3) in the case of a school providing education to students in the second cycle of the secondary level, two students in that cycle elected by the students enrolled at the secondary level or, as the case may be, appointed by the students' committee or the association representing those students;

(4) in the case of a school where childcare is organized for children at the preschool and elementary school level, a member of the staff assigned to childcare, elected by his or her peers;

(5) two representatives of the community who are not members of the school staff, appointed by the members elected under subparagraphs 1 to 4.

The community representatives on the governing board are not entitled to vote.

43. The school board shall determine the number of parents' representatives and staff representatives on the governing board after consulting with each group concerned.

The total number of seats for staff representatives referred to in subparagraphs 2 and 4 of the second paragraph of section 42 must be equal to the number of seats for parents' representatives.

102. A governing board shall be established for each centre.

The governing board, which shall have not more than 20 members, shall include the following persons, who shall become members of the board upon their appointment or election:

(1) students attending the centre, elected by their peers according to the procedure determined by the principal after consulting with the students or the students' association, if any;

(2) at least four members of the staff of the centre, including at least two teachers and, if the persons concerned so decide, at least one non-teaching professional staff member and at least one support staff member, elected by their peers according to the procedure set out in their respective collective agreements or, failing that, according to the procedure determined by the principal after consulting with the persons concerned;

(3) at least two persons appointed by the school board after consulting with the socio-economic and community groups in the territory principally served by the centre;

(4) in the case of a vocational training centre, at least two parents of students attending the centre who are not members of the staff of the centre, elected by their peers according to the procedure determined by the principal;

(5) at least two persons appointed by the school board from within enterprises of the region which, in the case of a vocational training centre, operate in economic sectors corresponding to the vocational education programs offered by the centre.

The term of office of members of the governing board is two years.

The members of the governing board shall remain in office until they are reelected, reappointed or replaced.

A vacancy resulting from the departure or disqualification of any other member of the governing board is filled, for the unexpired portion of the term, according to the mode of appointment prescribed for the member to be replaced.

103. The school board shall determine the number of representatives of each group on the governing board after consulting with each group.

The total number of seats for staff representatives must not exceed the total number of seats for representatives of other groups.
